8/9/11

As ordered by the Dewan personally I beg to submit as follows -

I was appointed Botany Demonstrator in the Central College on 14th March 1910 on probation for one year, and was recommended for confirmation in the (100- 10- 210) C.III. grade of Fducational Officers as per Government Proceedings of 30th March 1908

From an interview I had with the Second Councillor on Thursday the 24th ultimo I understood I am to get only Rs.70/- and not Rs. 100/-, because I am not a First Class Graduate, and that my future prospects will depend upon my continuing to show satisfactory work.

In this connection, I may be permitted to point out that,

(a) First Class Graduates in Botany are rare and consequently very dear(Mr M K. Venkata Rao) of the local Mycological Department who is a First Class Botany Graduate was started on Rs 150/-)

(b) Before I was sent for from Madras, Mr Subbaravan the First Class in my set had been written to but would not accept anything less than Rs 150/-.

(c). I was invariably first or second in class rank and my Professor had a high opinion of me I missed the First Class by a few marks only

When I accepted the appointment last year I was distinctly given to understand by the Principal, Central College, that after the probationary period I would be recommended for class C III according to the proceedings of the 30th March 1908 If my qualifications had been found insufficient the Government might have refused to entertain my services On the other hand The University Commission Report, University results in Natural Science and the testimonial of Dr Coleman (Copy enclosed) all go to prove my fitness for the post

At the Presidency and Christian Colleges, the Madras Museum and the Calcutta Botanical Survey Office, Second Class Graduates have been entertained on Rs 100/- and upwards Botany Graduates are also wanted for the proposed District Agricultural Farms, Model High Schools etc , and thus the prospects for a Botany Graduate are very fair outside

Under these Circumstances I pray that I may be placed in the grade fixed for ~~the~~ Demonstrators in the Government Proceedings of 30th March 1908
